Donations may be left under the stairs at the main entrance

Come to E200 rooms on Saturday,
November 15, 2008 10:00 AM-12:00 Noon

James Johnson, Assistant Director of Procop House and Grace Lewis, "Cooking with Grace," will provide an overview of the ministry that occurs at this former convent that now serves as a specialized home for men transitioning out of homelessness. BPC will be collecting kitchen items prior to this time for "Hope Chests" for the men to help them when they start out in their own homes. As a part of this time participants will help sort items for the "Hope Chests" and prepare simple food items that the men will later enjoy.
