APRIL 2008

TURNING LOST STUDENTS INTO CHRIST-CENTERED LABORERS' IN NORTHEAST OHIO AND BEYOND

*Thanks for your prayers and finances for us during this season of raising support. Never before have we felt so loved by God as our supporters have hosted or plan to host small groups for us to share the ministry, spoken to their friends and churches on our behalf, sent us encouraging letters and e-mails, increased giving financially - the list goes on. We have been humbled to tears many times these past months as God continues to love us through you! -*

## Kaela's **Heart** update!!!

As you may know, our 3 year old Kaela was born with serious heart complications which were detected during her first year. Despite the active girl you see today, she has endured 3 heart procedures, we've almost lost her twice and her condition baffled some of the best doctors in America! Last Monday (4/28) we went to the Cleveland Clinic for Kaela's cardiology appointment where Dr Latson was excited to tell us that **he'd decided to push her next heart surgery back (again☺) until she is between 4-6 years old. Not only is Kaela's heart functioning normal, but a valve leak she's had since her first surgery can no longer be found!** Dr. Latson is hoping that soon CAT scans will be advanced enough to show him what he needs to see (her coronary artery up close) without him having to do another invasive procedure. Praise God from whom ALL blessings flow! Thank you so much for your prayers for our family! Only God!

## 5 Kent State students removed the **shackles**...

Indians games.

**The Impact Movement** at KSU hosted an outreach last Wednesday (4/30) called "Take the Shackles." They hosted the event at a hangout in the Student Union which has an eatery, bar, and game rooms. Around 50 students came to the event while others were there to drink and/or watch the CAVS and

The gospel was shared through various Christian artists and David speaking. After David preached, one of the Christian artists (CW) approached a couple who were playing pool and asked if they'd heard the message. The male said that he was an atheist and didn't want to talk.

When CW turned to the female, she told him that she'd been searching. He then repeated the gospel to her and that night she prayed to receive Christ. Five students indicated decisions to follow Christ that night along with another who rededicated his life to Christ and someone else who wants to learn more! "...I tell you, there is rejoicing in the presence of the angels of God over one sinner who repents." (Luke 15:10) Let us rejoice!
